M.M.S.I Radio Directory

Allington Motor Cruiser Club

The use of an MMSI number, as well as being an identifier to the coastguard, enables a vessel to make a direct call to another vessel on the radio, as you would make a telephone call. Entering a vessel name and number in to your 'buddy list' on your radio will give you quick access to another vessel and automatically change their radio channel to the one you have called them on.

For the information of marina users we have published a list of MMSI numbers here, to add your vessel details please send your MMSI No. and vessel name to rchitty@blueyonder.co.uk

Vessel Name	MMSI No.	Location
Kevayling	235062495	North Pool
Molly Two	235035112	East Farleigh
